

DEVELOPING YOUNG ARTISTS RE-IMAGINING THE WORLD

EAST BAY CENTER FOR THE PERFORMING ARTS

Position: Event Videographer

Position Summary

In this role, you will shoot and deliver video for East Bay Center for the Performing Arts, a 50-year-old Richmond institution, serving a diverse population of children and youth of the East Bay on a project to project basis. Your work will be instrumental in helping the Center secure funding from a variety of private foundations, and other institutional and governmental grant-making organizations.

The role requires flexibility, attention to detail and the ability to work quickly under tight deadlines.

Required Skills

- must have professional video/ audio equipment. DSLR or higher.
- Minimum of 2 years professional experience as a camera operator
- must have a comprehensive understanding of compression and codecs
- experience capturing high quality audio using on board mics and external recording devices
- experience filming events, particularly concerts and other performances
- experience filming in a documentary style in various environments / lightning conditions, such as classrooms, theaters, and community spaces

Additional Qualifications

- experience in a small non-profit, particularly an arts-focused organization
- experience with and sensitivity for working with diverse youth and children
- experience with multi-camera shooting and editing
- ability to troubleshoot hardware and software problems on your own
- ability to occasionally work nights and weekends

To Apply

Please send cover letter and resume to Ruthie.Dineen@eastbaycenter.org.
